

NARENDREN KUPPUSAMY

Senior Product Designer

Coimbatore, India | +91 8825903218 | narendren1930@gmail.com | [LinkedIn](#) | [Behance](#)

SUMMARY

Senior Product Designer with 4+ years leading enterprise SaaS, AI, and healthcare product design end-to-end, from UX strategy and solutioning to design execution and cross-functional delivery. Led a 7-person design team and partnered directly with product, engineering, and sales stakeholders to bring design into solutioning conversations. Shipped platforms that reduced architecture creation time by 35% and user errors by 20%. Skilled at translating ambiguous, technical problems into scalable design systems that non-expert users can adopt.

CORE COMPETENCIES

UX & Product Design: User Research, Wireframing, Prototyping, Interaction Design, Usability Testing, Information Architecture, Data-Driven Design, User Flows, Design Thinking

Leadership & Collaboration: Team Leadership, Solution Design, Stakeholder Management, Cross-functional Collaboration, Sales & Pre-Sales Support, Agile Workflows, Project Management

Specializations: Enterprise UX, AI Product Design, SaaS Platforms, Design Systems, Responsive Design

Tools & Technologies: Figma, Adobe XD, Sketch, ProtoPie, Zeplin, Miro, Maze, Webflow, Wix, Adobe Creative Suite

FEATURED CASE STUDY

Cloud Architecture Builder Platform (SaaS)

- Reduced architecture creation time by 35% through streamlined, guided workflows
- Reduced user errors by 20% via clearer information architecture and inline validation
- Increased platform adoption by enabling non-expert users to build cloud architectures independently
- Reduced dependency on senior DevOps engineers by simplifying complex technical workflows

PROFESSIONAL EXPERIENCE

Team Lead — Product Design (UX/UI)

Apr 2023 – Present

Pirai Infotech — Coimbatore

- Led end-to-end UX/UI design and solutioning for enterprise SaaS and cloud-based platforms across web and mobile applications
- Partnered with sales and pre-sales teams to translate client requirements into design concepts that supported solution proposals and deal conversations
- Managed and mentored a team of 7 designers, improving design quality and delivery consistency across projects
- Collaborated with product managers and engineers to simplify complex workflows into intuitive, user-centric experiences
- Designed responsive interfaces and contributed to scalable design systems adopted across multiple products
- Delivered design and UX solutions across enterprise systems, audit platforms, healthcare solutions, and e-commerce domains

UX/UI Designer

Feb 2022 – Jan 2023

KS Smart Solutions Pvt Ltd — Chennai

- Designed user-centric web and mobile applications by translating business requirements into intuitive experiences
- Created wireframes, prototypes, and high-fidelity UI designs for cross-functional product teams
- Collaborated with cross-functional teams to define user flows and system interactions
- Improved developer handoff efficiency by delivering structured, scalable design assets

Project Manager

Jul 2021 – Jan 2022

KS Smart Solutions Pvt Ltd — Chennai

- Managed end-to-end project execution including timelines, budgets, and cross-team coordination
- Ensured timely, quality-consistent delivery across concurrent project workstreams
- Optimized workflows to improve overall execution efficiency

EDUCATION

Bachelor of Engineering, Mechanical Engineering

Jun 2015 – Jun 2018

SCAD Institute of Technology, Thiruppur
